

### FAITHFUL NAVIGATOR'S MESSAGE-September 2022

Greetings Worthy Sir Knights

I trust you and your family have had a restful and uneventful summer and that you are ready to participate in a more normal fraternal year for your council and the

assembly.

Our new Master has been announced, and it is S/K David Cupido from Archbishop Cleary Assembly 857 in Kingston. We congratulate him and thank the other candidates for their participation in the election process.

With warmth and admiration, on behalf of all members of the assembly, I acknowledge the contribution and dedication of our SK John Schembri, during his tenure as Worthy Master. A job well done and recognized with much gratitude! Best wishes to you in your future endeavors!

In January, Charter Masses were scheduled in parishes linked with Cartier Assembly 860. Unfortunately, some

parishes were closed or, if open, attendance was restricted.

On June 25<sup>th</sup>, 2022, the assembly held a 100<sup>th</sup> Anniversary Dinner and Dance. His Grace Archbishop Marcel Damphousse (also a Sir Knight) officiated at the Mass held prior to the dinner, and was joined by SK Fr. Pierre Champoux, Faithful Friar, and Past Faithful Friar SK Fr. Larry McCormick. His Grace spoke after the dinner, as well as Ontario State Deputy S/K Marcel Lemmen, and S/K John Schembri, Worthy Master. Another notable presence was that of SK Bruce Poulin, Ontario State Secretary.

To the Charter Night Committee, Sir Knights Michael Ferrigan, Mike Leeder, Joe Prince, John Schembri, Michael O'Neill, Wayne Watts, and Mike Proctor, I express my deep gratitude for their effort and accomplishment. Well done!!

A video of the celebration was made to commemorate this auspicious occasion. Archbishop J.V. Cleary Kingston Assembly 0857 will be hosting their 100<sup>th</sup> Anniversary Celebration on Saturday the 22<sup>nd</sup> of October 2022. If you require details, ask and they will be provided to you from our assembly.

Cartier Assembly 860 was the first of three Assemblies to come into existence in what has become known as Cardinal McGuigan Province, and which includes Ontario and Manitoba. His Eminence Cardinal James Charles McGuigan, Archbishop Emeritus of Toronto was appointed to the position on December 22, 1934, after having served as Archbishop of Regina (1930 - 1934). His Eminence was appointed Cardinal on February 18<sup>th</sup>, 1946, by Pope Pius the XII. Born November 26<sup>th</sup>, 1894, he passed away April 8<sup>th</sup>, 1974.

All general meetings will be held in person in the assembly chambers just off the Scavi (lower level), St. Patrick's Basilica. Meetings are held on the third Thursday of each month beginning at 7:30 pm. Events planned for the current fraternal year are the Memorial Mass on November

17<sup>th</sup>; a Ladies Appreciation Night in January, and a year-end BBQ in June. A Fourth-Degree Exemplification in June 2023 is being considered.

The assembly is in need of a faithful scribe, an executive position currently vacant. If you are interested in this position, please let the assembly know.

We regret to announce the passing of Sir Knights Yvon Sorel, and Glenroy Huff, both of St. Philip/St. Clare Council 11825 in Richmond. Your continued prayers for their soul and for the families are greatly appreciated!

Vivat Jesus

**FAITHFUL FRIAR'S MESSAGE - September 2022**

Seminarian, Jean-Baptiste Polux is tentatively scheduled to be ordained to the Transitional Diaconate at Paroisse St-

Joseph d'Orléans in Orleans on October 14<sup>th</sup> at 7:00 pm. There is one final step pending, prior to the ordination to ensure there is no hindrance to

proceeding as planned. Transitional Deacon Michael El Nahef has entered his 4<sup>th</sup> and final year of study at St. Augustine Seminary in Toronto. Ordination to the

priesthood is likely to happen sometime next summer. Seminarian Patrick Peori has entered his first year of theology at St. Peter's Seminary in London, Ontario. Please pray for these seminarians, as well as for prospects to enter the seminarian fold.

Are you ready to answer Jesus' challenge to Put out into the deep? (Luke 5:4)

DUC IN ALTUM (Ottawa) is an eight-month-long itinerary for young adults who feel God's call is leading them closer to Him. It consists of eight 'encounters': a weekend-long opening retreat, six sessions

on Saturdays, and a weekend-long closing retreat. Duc in Altum (*Put out into the deep.*) consists of talks from wise speakers, group discussion, activities, prayer, journeying with other young adults, and being accompanied on their journey by a spiritual companion.

How does one gain an insight into what their calling in life may turn out to be? Duc in Altum may be just the experience needed by young people ages 18 - 35, in finding an answer to this very critical question.

For more information, one can visit: <http://www.ducinaltum.ca/ottawa/>

This message is not reaching the target group intended, but if you know of an individual in the prescribed age group who is seeking or searching for answers, you now know what to offer up. Thank you and God Bless!

### SUPREME KNIGHTS - INSPIRED LEADERSHIP

#### James T. Mullen

The First Supreme Knight 1882 - 1886

James T. Mullen provided fraternal know-how to the fledgling Order, drafting articles of incorporation and a constitution. When Father Michael J. McGivney proposed the name "Sons of Columbus", Mullen suggested that "Knights of Columbus" would better convey how the Order's initiation ceremonies were like rites of passage into knighthood.

As the Order's first Supreme Knight, Mullen personally presided over the institution of 22 of the Order's first 38 councils. At the 1886 convention, he was unanimously elected to a new position, director general of ceremonies, which he held from 1886 to his death in 1891.

As an aside, the first insurance record book includes early members of the councils in Connecticut and members of San Salvador Council 1, with Father McGivney's name at the head of the list.

#### John J. Phelan

The Second Supreme Knight 1886-1897

John J. Phelan led the Order's transformation from a local to a national organization. He also established a new governance system for the Order, writing an updated constitution and adding a new state tier to the Order's governing structure.

Phelan had been a member of the Order only one year when he was elected Supreme Knight. During his tenure, the Order expanded from 38 councils in Connecticut and Rhode Island to 210 councils in ten states and introduced the notion of associate membership to those who were ineligible for insurance membership.

### James E. Hayes

The Third Supreme Knight 1897-1899

James E. Hayes was the first supreme knight not from Connecticut. At age 32, after serving three years as Massachusetts state deputy, Hayes became the youngest supreme knight in the Order's History. In his role as a district deputy and later state deputy, he presided over the institution of 75 councils. One council - Boston Council 1895 - was later renamed in his honor. In

being elected to the office of the supreme knight, he defeated his opponent John J. Phelan. During his shortened term of office, Hayes presided only over three meetings of the National Board of Directors and never had the opportunity to preside over a National Council. Sadly, on February 28, 1898, he passed away in hospital due to complications from peritonitis.

### 203<sup>rd</sup> ANNIVERSARY OF ST. PHILLIPS CHURCH, RICHMOND

St. Philip's Roman Catholic Church in Richmond, ON, celebrated 203 years of existence this year. Over the years the parish has been associated with three different dioceses and remains within 1,000 feet of its original location. Early nineteenth-century historical figures included: Bishop Alexander Macdonell, Reverend Father Herron, and Captain George Thew Burke, who later became the superintendent of the settlement of Richmond. The misfortune of the presence of an arsonist resulted in the 1857 burning of the wooden church that had been built in 1825. This was very much a time of religious upheaval. The stone structure of the church was constructed in 1858 and at

a time when the community of Richmond was most prosperous. The rectory to the east of the church was built in 1944.

Today, the parish is named St. Philips Parish and St. Clare Mission. Fr. Bob Poole is currently the parish priest (2011). He is also a member of Cartier Assembly 860. In addition to his duties as parish priest, Fr. Bob is director of [Lift Jesus Higher](#) (A Catholic Community Growing in Spirit, Truth, and Life), based in Vanier.

Of note, St. Clare Mission was established in 1849, and the current building was erected in 1915. The home base of St. Philips/St. Clare Knights of Columbus Council 11825 is in Richmond. Praise and thanksgiving to God, for such a vibrant and enduring parish community!!

## FAITHFUL COMPTROLLER'S NOTE - A NEW CATEGORY OF MEMBERSHIP

Below is an excerpt from the Summer 2022 edition of the Ontario State Bulletin. Worthy State Treasurer, Bro. David Gelinias, wrote an item on the new category of "affiliate member."

I understand members likely received the e-mail from Ontario State, but receiving it is one thing. Reading it is another. Including myself. I tend to scan and read less attentively. What is it I might be missing? More significantly, I do believe the institution of the category of 'affiliate member' will be a welcome change to financial secretaries and faithful comptrollers.

If you have any questions, it is best to ask your FS or FC, or the district deputy.

Excerpt from the Ontario State Bulletin - Summer 2022 - From Bro. David Gelinias, State Treasurer:

*Supreme has launched, in Canada, starting August 26th through October 15th, 2022, the Affiliate member program. This is the third classification of membership after the insurance and associate classifications. Councils have between August 26th and October 15th to identify which members will be transferred to this classification.*

*If you've been silent from dues invoices and phone calls it may be difficult for the Financial Secretary or Grand Knight to know if you are experiencing financial hardship or medical hardship. Members, both insured and associate, can be transferred to affiliate if they have not paid their council dues for 2 or more years. If that was you then you may find yourself being identified by your FS and GK and transferred to the affiliate member classification. Affiliate members will be removed from the council's roster which will relieve the councils from paying annual Supreme and State per capita taxes, which your council has done even if you haven't paid your council's dues each year.*

*You will then be on a Statewide council roster and the good news is all of your years of service will be protected with no break in your years of service toward Honorary and Honorary Life membership. You will not be charged dues while you are an affiliate member. You cannot request to become an affiliate member, there are criteria that must be met. If you are a fourth degree knight and your council transfers you to affiliate member status, you will be automatically removed from your Assembly roster too. Affiliate members cannot hold executive positions because you won't be on the council's roster. Affiliate members cannot vote at Knights of Columbus council meetings, nor serve as a delegate to the State or Supreme conventions.*

Excerpt ends.

Comment: From the above, it is apparent Supreme is attempting to upgrade and improve the administrative processes currently employed. The benefit, as you will see in the coming months, will - and I am taking a very positive approach to change - be of immediate benefit to financial secretaries and faithful comptrollers. Their task is top-heavy and such change will (among others to come), hopefully, significantly ease their workload. Those further changes coming within the next two years will be a continuum of enhancing the administrative side of the Order and will likely reach down to each and every brother knight. In the development stage, it is uplifting to hear good news and thus the anticipation grows in eventually seeing and welcoming progressive change.

# The B-17 "Rose of York"

An American air crew during WWII named their plane after Princess Elizabeth.

It seemed like a good idea too -- until someone asked what happened if it got shot down?

September 11, 2022

Since her death, tributes have been pouring in for Her Majesty Queen Elizabeth II. Well deserved, indeed!! Her place in history is clearly defined and, rightly so! Such a

*Princess Elizabeth, King George VI, Queen Elizabeth, and USAAF Lieutenant General Jimmy Doolittle. Princess Elizabeth is holding a large bouquet of "White Roses of York.". The King and Queen were known to fondly refer to their daughter, Princess Elizabeth, as their "Rose of York."*

remarkable woman: so open, inclusive, kind, thoughtful, accepting of the challenges of life, making wise decisions, and finding relevant and unique ways to move forward. And, as most of us know from news reports on her life, she had a great sense of humor.

Sharing the story about "The B-17 'Rose of York'", is one way for Cartier Assembly to honor Queen Elizabeth II. Simply type the above title and hit search. If you have not already seen this video (other choices will also come up), it is a great way to know Her Majesty as a very young adult and the impact she had on the country she served.

May the soul of Her Majesty Queen Elizabeth II rest in peace. Long live the King.
